

# **Wildlife of Rasa Ria Reserve Dalit Bay Golf & Country Club**

## **BIRD WATCHING CHECKLIST**

More than 80 species of birds have been recorded in the Rasa Ria Reserve, the surrounding coastal areas and landscaped gardens. Their bright colours flit through the green vegetation and calls ring out through the air to announce their presence. Bird watching is a relaxing sojourn that can be enjoyed alone or in small groups to appreciate the beauty of nature through these wonderful winged creatures.
